AED Announces First Keynote Speaker for June 20 Quarterly Investors' Luncheon

ALBUQUERQUE – **Lem Hunter, President of Vibrant Corporation**, will be one of two keynote speakers at the June 20 AED Quarterly Investors' Luncheon. The homegrown company offers manufactured-components testing services for the aerospace, automotive and power generation industries. The company's uses a technology that detects defects in parts by vibrating them and using a software algorithm. The technology was originally developed at Los Alamos National Laboratory.

In addition to Vibrant, AED will announce a second keynote speaker closer to the event.

AED President Gary Tonjes will provide an update about AED's current recruitment and existing business development activities.
