EXPLORE DATA IN OUR REGION

1. AVAILABLE PROPERTIES

What buildings or land sites are available? Filter by square footage, zoning, community, address, keyword or nearby amenities. Identify properties located in local or federal incentive zones.

2. DEMOGRAPHIC ANALYSIS

Research labor force, population, educational levels and even employee types by distance or radius. Export into ready-to-go reports.

3. BUSINESS REPORTS

Use the business database to identify industry clusters and potential customers, competitors and suppliers.

4. COMMUNITY PROFILES

View community specific data sets, transportation resources, consumer spending and identify quality of life amenities for employees like housing costs.
