## AREAS OF EXPERTISE

- Target Industry Analysis
- Business Attraction & Lead Generation
- Industrial Park Development & Greenfield Site Design
- Market/Feasibility Analysis
- Distribution Center & Manufacturing Site Selection
- Freight Optimization

With over 40 years of industry and consulting experience, Foremost Quality Logistics (FQL) specializes in logistics & supply chain strategy for companies seeking to locate facilities (site selection), building owners trying to better market their warehouse/plant properties (marketing), communities trying to lure industrial and/or manufacturing companies to their town (attraction strategy). In addition, FQL conducts supply chain and distribution network strategy, operations management in manufacturing and distribution, supply chain cost improvement, and economic development business strategy and planning (SWOT).

Before establishing Foremost Quality Logistics, Mr. Feemster was a senior manager in three manufacturing companies, a consultant, an executive in two third-party logistics providers, and a logistics practice group leader in two real estate companies. Mr. Feemster has been exposed to the economic development, manufacturing, logistics and supply chain issues facing many industries and involving both refrigerated and dry channels. These experiences include specific assignments in over 100 project start-ups, site selection, marketing, project management, operations management, strategic planning, as well as transportation & private fleet management. He has been responsible for warehouse facility layout and design, logistics systems development, carrier rationalization, warehouse network analysis, and third-party qualification and selection.

Past clients include Dow Chemical, HB Fuller, Alpo Pet Foods, Cisco Systems (US & Mexico), Coke, Disney, Federal Express, Frito Lay, Georgia Pacific, GM (US and Mexico), HP (US & Canada), IBM, Ingersoll Rand (US & Europe), Kohler, Liberty Property Trust, Nabisco, NCR (US & UK), Nike (US & Europe), Nissan, Philip Morris, Quaker Oats, Prologis LLC, Ricoh, Duke Realty, and First Industrial, and Team Texas. Mr. Feemster holds an M.B.A. with distinction, in Marketing and Operations Research from the Stephen M Ross School of Business, University of Michigan in Ann Arbor, MI. and a bachelor's degree in Mathematics from DePauw University, Greencastle, IN. Recognized as a D Magazine top 500 DFW CEO in 2019 & 2020.
