were instantly impressed with the sense of community and partnership we experienced from everyone we met.

The rapid growth of Spring Oaks Capital has been based on our commitment to providing high quality jobs and a collaborative, supportive work environment for our employees, and we look forward to becoming a part of the growing, vibrant Albuquerque business community."

Spring Oaks Capital is a national financial technology company, focused on the acquisition of consumer credit portfolios.

"Working with Site Selection Group as well as Spring Oaks Capital to make the case for our region for their expansion was an absolute pleasure, enhanced by the many amazing partners in the community who came to the table to participate in discussions and demonstrate that our region is the place to be," noted Danielle Casey, President and CEO of Albuquerque Regional Economic Alliance.

"Spring Oaks Capital's decision to expand in Albuquerque and create new jobs in our community is another step forward for Albuquerque," added City of Albuquerque Economic Development Director Max Gruner. "These new job opportunities will help support local families and provide valuable career pathways for students and young professionals. This decision reflects the strength of our city's economy and the skill of our workforce."
